

OLD FOLKS FIND NEW REMEDY RELIEVES ALL KIDNEY AND BLADDER MISERIES

Drives Rheumatic Pains Away, Relieves Backache and Bladder Disorders After A Few Doses Are Taken

Sleep disturbing bladder weaknesses, backache, rheumatism, and the many other kindred ailments which so commonly come with declining years, need no longer be a source of dread and misery to those who are past the middle age of life.

The new discovery, Crozone, overcomes all such disorders because it removes the very cause of the trouble. It soaks right into the kidneys, through the walls and linings; cleans out the little filtering glands and cells, and gives the kidneys new strength to do their work properly. It neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles, causing rheumatism; and makes the kidneys filter and sift out all the poisonous waste matter

from the blood and drive it out of the system. It matters not how old you are or how long you have suffered, Crozone is so prepared that it is practically impossible to take it into the human system without results. You will find it different from all other remedies. There is nothing else on earth like it. It starts to work immediately and more than a few doses are seldom required to relieve even the most chronic, obstinate cases.

It is the most wonderful remedy ever made for restoring the lifeless organs to health and strength and ridding the system of every particle of uric acid, and you can take it with the utmost confidence that nothing on earth will so quickly cure such conditions.

You can obtain an original package of Crozone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if Crozone should fail in a single case.

County News

NORTON

Mr. and Mrs. C. J. Wenzel and Mrs. Otis Pemberton went to Marshall Wednesday in Mr. Wenzel's car.

Mr. Hennessey of Marshall came out last Wednesday and took Mr. Mitchell and children for a ride in his car. As they were returning home they passed through Norton and when they attempted to climb the hill south of Norton the car ran back down the hill and backed on an embankment which came very near causing the car to turn over.

Guss Plourd of Nelson was visiting friends in this vicinity last week.

Mrs. Clark of Marshall is visiting her brother, J. S. Wilson, and family.

Miss Nell Boatwright of Marshall, who will teach at the brick school house next winter, came down to John Wall's last week and took dinner. She was looking for a boarding place in the neighborhood.

Mr. and Mrs. Otis Pemberton and children, Benjamin and Virginia, attended a play given by the high school graduating class at Slater Tuesday night.

school near his home at Metz, Mo.

Mrs. E. G. Wheeler is visiting this week with relatives in Marshall.

W. V. Rogers spent a few days last week with Mr. and Mrs. Clyde B. Allen in Moberly.

Dr. C. E. Piper has gone to Columbia to attend the closing exercises of Stephens College, where his daughter, Julia Marie, is a student.

E. M. Martyr who recently underwent an operation in Kansas City, is able to leave the hospital and is spending a few days with friends in Kansas City.

Roy Hastings who taught last season in Malta Bend will teach next winter in the Marshall High School.

The members of the Senior Class showed their appreciation to the others of the school who took part in the Senior play, by giving a reception at the Princess Ice Cream Parlor Saturday night, after the play. Those present were those who took part in the play and members of the faculty who assisted the play.

A farewell party was given Friday night at the home of Miss Berice Tillery for the teachers of the high school who were leaving her for the summer. After the evening had been spent very pleasantly the crowd repaired to the Princess for refreshments.

Mrs. R. C. Barksdale and sons, Ralph and Clarence, left Monday for their new home at Branson, Mo.

Mrs. C. E. Piper was a Marshall visitor Monday.

Fred Koch and Sam Hill and family and Miss Edna Quisenberry spent Sunday in Louisiana.

E. R. Davis, former principal of the high school will spend the summer at the university.

Barker Brown, former principal of the grade school has left here for his home in Warrensburg. He will spend the summer at the university. The Sunday school attendance for

YOU CAN'T EAT APPETITE POOR

Multitudes of people lose their appetite. Simply don't care for anything to eat. The dinner bell has no interest to them. They loathe their breakfast. They may nibble a little of this and a little of that, but they do not care for it.

Lunch has lost all of its charms, although they try to eat something. Dinner about the same.

There is something positively wrong, of course, but no disease that can be named. Just out of sorts. That is all.

It is in this kind of a condition that Peruna acts very beneficially. After using Peruna, interest in food is revived. Beginning with a teaspoonful of Peruna before each meal will generally quickly improve the appetite and help the digestion.

Thousands of people can testify to this. Liberated from a slavery that is almost unbearable. The slavery of having no interest in life. All used up. Yet one does not know exactly why. Take Peruna before each meal. Skies will get blue again. Fields will look green once more and life will be pleasant. You will feel that you are good for something and the world is a good place to live in. Peruna will do it. Not as an artificial stimulant. Simply a tonic that stimulates appetite in a natural way.

Those who object to liquid medicines can now obtain Peruna Tablets.

In the Circuit Court of Saline County, Missouri, for the May Term.

W. J. Kaul and Harry Kaul, partners as John Kaul & Sons, Plaintiffs,

vs.

G. W. Zimmerman, Defendant.

Now on this 24th day of April, 1914, W. J. Kaul and Harry Kaul, partners as John Kaul & Sons, plaintiffs in the above entitled cause, before the undersigned Clerk of the Circuit Court of Saline County, in vacation, having filed their petition and affidavit of their Attorney, John D. Myers, stating among other things, that the above named defendant, G. W. Zimmerman, is a non-resident of this State and that the ordinary process of law can not be served upon him. It is thereupon ordered by the Clerk aforesaid, in vacation, that publication be made, notifying him that an action has been commenced against him, by petition in attachment, in the Circuit Court of Saline County, Missouri, founded upon two judgments, duly rendered against him in favor of the plaintiffs, one for the sum of Three Hundred three (\$303.00) and one for the sum of Seventy-four and 65-100 (\$74.65) Dollars, with interest thereon at six per cent (6%) per annum from October 22, 1910; that his property has been attached and that unless he be and appear at the September term of said Court, to be held at the Court House in Marshall, within the County of Saline, on the 21st day of September, 1914, and on or before the third day thereof (if the term shall so long continue and if not before the end of the term) judgment will be rendered against him and his property sold to satisfy the same.

It is further ordered, that a copy hereof be published in the Marshall Republican, a newspaper published in said County of Saline, for four weeks successively, the last insertion to be at least fifteen days before the commencement of the September term 1914, of said Court.

A true copy.

Attest: (SEAL)

W. R. SCOTT,

Clerk of the Circuit Court.

First insertion May 15th.

Fourth insertion June 5th.

last Sunday was as follows: Baptist, 289; Christian, 265; Methodist, 168; Presbyterian, 117; Church of Good, 62.

Miss Irene Powell of Gilliam spent Saturday evening in Slater.

SWEET SPRINGS

Miss Lavinia Yerby went to Hughesville on last Saturday to secure board in the village. She has the Hughesville school for the coming term. The school house is situated about one-half mile out of town on the railroad.

Mr. Alex S. Vest arrived on Wednesday from St. Louis, for a few days stay at his cottage on the spring grounds.

The Alumni Association secured Mr. Walter Williams of Columbia to deliver a lecture on next Tuesday evening at the high school auditorium. Rev. G. L. Coffman of the Methodist church is to preach the baccalaureate sermon on Sunday the 24th at the Christian church.

Mrs. J. M. Barks was in Sedalia on last Monday the guest of friends.

Mr. Lewis Mueller has purchased a lot on Pine street from Mrs. A. P. Wilson, will remove to it the house he recently purchased from Mr. Will Dankenbring, and will occupy it as a residence after remodeling it. Mr. Mueller will build a modern home for Mr. Dankenbring on his lot.

Mrs. W. C. Hall left on Wednesday afternoon for Kansas City where she will remain for several weeks visiting her sons, Joseph G., James and Robert.

Miss Lillie Drysdale of Lexington is the guest of Mr. and Mrs. E. L. Spurgeon at their elegant new home on Bridge street.

Mrs. Richard Berry, Mrs. Kate Wright and Miss Angie Berry spent Tuesday in the country with Miss Mary D. Wilson.

Mrs. Norris of Sedalia was here last week visiting Mrs. George Winton and Mrs. David Reavis. Mr. Norris came from Sedalia and spent Sunday, joining Mrs. Norris at the home of their relatives.

Mr. William Bellamy of Marshall spent Sunday here with his father's family.

Messrs. Hocker, J. J. Smith and John McGuire motored to Marshall Monday in Mr. McGuire's machine, and attended the Republican Convention.

Mr. Gilbert Tevebough and family of Houstonia motored up on Sunday and spent the day with friends here.

Mr. E. L. Spurgeon lost a fine horse at his farm on Monday night of this week. This is the third horse Mr. Spurgeon has recently lost.

Mrs. A. P. Wilson goes to St. Louis next week to visit friends and witness the pageant.

Mrs. Hogsett of Kansas City will arrive on Wednesday evening to visit her aunt, Mrs. J. E. Hocker.

Miss Charm Denham arrived at home on Wednesday afternoon from Lexington, where she has been at school for the past season.

A large wagon containing a tremendous hayrack has just passed the house filled with about forty children and young people, a part of whom are Miss Mary Hughes' music class, on their way to the spring grounds for a picnic. Flags were waving and merry sounds of laughter and talk were making the crowd very gay as they passed.

Mrs. Burkhardt of Oklahoma City will arrive next week to visit the family of her father's, Mr. T. C. Andrew.

Mrs. Delta Coram left on Wednesday for her home in Warrensburg, accompanied by her sister, Miss Myrtle Smith, as far as Sedalia.

Mrs. Edwin Berry went to Sedalia Tuesday to attend a meeting of the Spencer-McClure Chapter of the Daughters of 1812. The Chapter marked the grave of Mrs. Berry's grandfather, Gen'l David Thomson.

Miss Eula Reavis has left Sedalia and gone to Higginsville, having secured an excellent position as stenographer with the firm of Lake Bros in the latter city.

Miss Lydia Parkhurst went to Houstonia on Tuesday morning for a visit to her brother, Dr. Parkhurst.

Miss Elizabeth and Master Roy Kennedy went to Sedalia on Sunday and attended the wedding of their sister, Miss Rose Kennedy to Mr. Clifford Higley.

Dr. J. M. Anderson and E. W. Dennis left this week for Beatrice, Neb., on a business trip.

Mr. Will Hedger will spend Saturday night and Sunday with his family.

Mrs. Wm. Binkley leaves on Monday, 25th, for Columbia to attend the commencement exercises of Christian College, where her daughter, Miss Marguerite Binkley, will be graduated.

Rev. G. E. Shaublin of the Christian church is giving a series of illustrated lectures on "The Bible" at his church every Sunday evening. The services consist of ten lectures. The first was given last Sunday evening and they will continue for ten con-

Mother Has Earned this Comfort and Convenience

More than 250,000 "Mothers" in country homes are today enjoying this comfort and convenience:

Gas Lighting and Cooking with Gas

These greatest of modern conveniences are today available for every home no matter where it is located.

The modern farm home can have its own miniature gas plant—the Pilot-Outdoor Plant—which supplies pure home-made Acetylene—a better light than the city home enjoys.

The World's Standard

The Pilot-Outdoor Generator is a simple, compact and perfectly constructed gas machine built on a new principle.

The Pilot-Outdoor Generator stands out of doors—on top of the ground—away from the house or buildings it lights. Around the entire machine is built a heavy double shell of substantial sheet steel. The space between are filled with a wonderful new frost proof, insulating material. This keeps the warmth inside the machine and the cold outside.

On this account we are able to offer a perfect gas plant which will give satisfactory, economical service, on top of the ground—all the year 'round—in winter's cold or summer's heat.

It is different from all other Acetylene machines. Different from those designed to be installed in cellars of buildings, and those which are buried in a pit or hole in the ground. The Pilot-Outdoor Generator can be placed anywhere, out of doors, behind the barn, out in the pasture—anywhere you like. It makes absolutely no difference where you place it. It works perfectly, away from the house, out of doors on top of the ground.

It furnishes gas for lighting and cooking just the way city homes get the gas they use—from the outside.

A Hundred Uses for Acetylene

Acetylene is used in a hundred different ways in many industries all over the world—all it is today one of the most universally used gases, we know anything about.

Hundreds of thousands of automobiles are lighted with Acetylene—from little generators or Prest-O-Lite or Search-light tanks.

Countless numbers of little Acetylene lamps are used by miners in their work beneath the ground—Locomotive headlights and passenger coaches are lighted with Acetylene. Light-houses and buoys use Acetylene—Parts of the Panama Canal are lighted entirely with Acetylene—The use of Acetylene for welding and cutting metals has become one of the big factors in the great metal industries of the world.

The story of Acetylene and its uses is one of the most fascinating commercial stories of the age. It would take pages to tell.

secutive Sunday evenings and his congregation is looking forward to a great treat in them.

Miss Edith Freeca of the country north of town is the guest of Mrs. Little Parsons for Commencement week.

Dr. Buck Parsons after spending some months with relatives returned this week to his home in Missoula, Montana.

New concrete crossings are being put down in several places over town.

Indigestion? Can't Eat? No Appetite?
A treatment of Electric Bitters increases your appetite; stops indigestion; you can eat everything. A real spring tonic for liver, kidney and stomach troubles. Cleanses your whole system and you feel fine. Electric Bitters did more for Mr. T. D. Peebles' stomach troubles than any medicine he ever tried. Get a bottle today. 50c and \$1.00, at your Drugist.

ARROW ROCK

W. A. Well and wife and Mrs. Will Eichman were shopping Monday in Boonville.

C. P. Hudson and wife of Blackwater were in town Monday afternoon. Mr. Hudson had some repairing done on his car and Mrs. Hudson was calling at the homes of Mrs. George Bingham and F. P. Morris.

Gene VanArsdel and little son, Forest, of near Napton were among the crowd in town Monday afternoon.

Mrs. Sam Fisher returned the first of the week from Kansas City where she spent several days with her husband, who has employment there.

Mrs. Watson Dicks was shopping Monday at the County Seat.

Harold Turley, wife and son, Mrs. Parlice Bingham, Earl Townsend and mother, were transacting business in Marshall Monday.

Dr. Lawless of the county was on our streets Tuesday morning.

Mrs. Crump of Columbia visited here last week with her sister, Mrs. J. I. Spence.

L. A. Wilmarth, of Cooper, was in town Tuesday morning.

T. B. Morris went to Marshall Tues-

Lighting and Cooking for Country Homes

The mission of the PILOT is to bring a clear, clean, safe light and quick, cool easy cooking service, to take the place of the drudgery, dirt and inconveniences of kerosene lamps and the dirt, heat and labor of the old coal or wood stove—

Convenience in place of back breaking labor—

Clearliness instead of dirt, grime and ashes—

Beautiful city-like fixtures in place of ugly kerosene lamps—

A cool kitchen instead of a hot, stifling one—

Order instead of confusion—

Comfort instead of dim, hot, smelly lights—

Safety instead of constant risk—

Twenty minutes once a month or so to put Union Carbide and water in the PILOT, instead of a half hour every day filling lamps—

Light always on tap in every room—

Lamp lights, fastened to permanent iron piping and protected by heavy glass globes instead of dangerous lamps and lanterns.

Automatic igniters instead of matches—

All these and more—costing no more than you are now paying for kerosene.

The proof is shown in 13 years of satisfactory results—

In the large factories we have been compelled to build in Newark, N. J. and Chicago, Ill. to take care of the steadily increasing demand for PILOT Lighting Plants—

In our salesmen and dealers in more than a thousand towns and villages throughout the country.

Consider Your Women Folks

They're the ones who have to spend half their days in the kitchen grime of filling, cleaning and carrying oil lamps around the house. In slaving away their strength and health over hot, cranky stoves.

Ask the "Mother" in your house how much this beautiful, clean, always-ready light and a real gas range will mean to her.

Ask yourself if she hasn't earned this comfort and convenience—when you consider its low cost—a thousand times over.

Then write or phone me and let me come out and show you how little this entire improvement will cost.

Do it today while you have it in mind.

OXWELD ACETYLENE CO., CHICAGO

day to have some dental work done.

Mrs. Eliza Alexander who has been the guest of her sister, Mrs. George Bingham, for the past two weeks, returned to her home in Cooper Tuesday.

Jim Marshall and wife of near Blackwater were dinner guests Wednesday at the home of W. H. Edwards.

Miss Leslie Purcell, of Buncheon, was a guest this week of Miss Margie Gibson.

The roadoverseer T. E. Hogre and helpers have made splendid roads in the flat east of the cemetery. It is well graded up with a 20-foot concrete culvert well drained which makes it a fine drive way.

Will Eichman and Hugh Craig took a motor trip to Slater Wednesday.

Mrs. W. B. Dicks and daughter, Miss Nora left Thursday for a visit with I. O. Dicks and family at Stillwater, Okla., also with Will T. Dicks near Lamar, Mo.

Stonewall White and family received their furniture Saturday and moved into the property of Will Eichman.

Shirley Shemwell visited Ray Dickson in Marshall Saturday night and Sunday.

Look Ahead Before Painting

It is a good plan to consider the painting question from all angles, especially from the point of the future condition of your house. You can readily picture how your home would look weather-beaten and worn from the use of inferior paint; on the other hand, consider the up-to-date, well-preserved appearance it would have if properly painted with a good paint. With these two pictures before you, it is almost impossible to believe there could be so much difference in results.

When you buy your paint, keep these two conditions in mind—they represent the difference between LA CROSSE CO. PAINT and an inferior paint. LA CROSSE CO. PAINT will wear for years after the inferior paint has gone with the wind and changes of climate. Call at our lumber yard—we will estimate the quantity of paint necessary for your building, and give you any further information you desire.

La Crosse Lumber Company
